Dr. Catherine Bartch

2024 WASHINGTON MOAS SOCIAL MEDIA PLATFORM

The Washington Model Organization of American States (WMOAS) encourages participating universities and delegates to connect with one another through social media. To support the work of each delegation during its participation in the model, the WMOAS is present on Instagram:

Follow us on Instagram at @wmoas 

While utilizing social media during the conference, we ask that you follow social media etiquette. Please feel free to share your experiences on Instagram throughout the model but keep in mind the following guidelines:

- Faculty advisors should supervise all delegations' pages and accounts. If possible, mention the official accounts established by IDDA in your posts so that we may share your stories and together contribute to the visibility of the model and the OAS.
- Remember to mute your social media notifications while using your devices for the WMOAS so they do not interrupt proceedings with notifications and messages.
- Exchanges in the accounts should be for the purposes of the model and its official activities ONLY. Other exchanges should take place using personal accounts.
- Do not post pictures of other participants and/or their work without their knowledge and consent. Participant universities should follow their own institutional policies in this regard.
- Be respectful of other member's ideas in both tone and content. All references to delegations and their resolutions should be courteous and diplomatic.

Please use Instagram as much as possible to engage with other participants both prior to and during the model. These are great tools for discussing resolutions, scheduling meet ups, and staying in touch about meetings and events. Instagram is also a great tool to provide feedback to WMOAS Coordinators, so feel free to direct message us with issues or concerns! All Instagram content is monitored by the account managers to ensure its suitability.

Thank you and enjoy the 2024 WMOAS!!!

2024 WASHINGTON MOAS OFFICERS
